

Dear Kindergarten Families,

With summer on the horizon, most students are thinking of vacations and fun in the sun. They look forward to lots of relaxation and not having to wake up to attend school. However, this does not mean that learning should be placed on hold.

Since we want our students to become enthusiastic readers and lifelong learners, Franklin Academy is proud to announce the continuance of our Summer Reading Experience.

Over the summer, students must read **three (3) books**, only one of which must come from the recommended reading list. The others can be student choice, as long as they are on the appropriate reading level.

After reading each book, students will complete a graphic organizer with specific information to demonstrate their understanding of the text. *Please make sure that your child does the actual writing.* This will help the teacher to become aware of his or her abilities. You may write underneath to clarify what your child has said. Pictures are encouraged along with the writing.

Our summer reading program has been designed to be a rewarding experience for our students. It offers them the opportunity to share their reading adventures with their teachers and classmates in the fall.

If you have any questions, please feel free to contact Miss Sander, our Curriculum Coach at sander.nancy@franklin-academy.org.

Please encourage your child to complete the Summer Reading Experience.
Thank you.

Mr. Piper
