For each 2 hr time slot, we are asking each guest speaker to address four classes with a twenty-minute (approx.) presentation in each class (2/27 and 2/28 only). 3/2 will be booth setup/expo style with no classroom rotations.

As a Career Day Speaker, you could:

- Explain the nature of your career
- Wear the type of uniform or clothing required for your career
- Bring equipment, props, or items representative of your particular field; i.e., stethoscope, calculator, First Aid kit, Fire Truck, Police Car, etc.
- Emphasize the relationship between academic learning and job performance
- Feel free to bring giveaways for students but allow time for interaction, questions and answers.

If you are willing to share your time and expertise, please fill out the attached Career Day Guest Speaker form and return it to Franklin Academy's front office or email the completed form to shea.kristin@franklin-academy.org.
